Dear Parent or Guardian:

During the second nine weeks, we will be implementing a new responsible student program at Triadelphia Middle School. The primary goal of the program is to reward our students who are consistently prepared for class and display solid school citizenship. The program will also identify students who are struggling with personal responsibility and preparedness. By seeing where the students are struggling, our teachers and staff can help them become more organized. We will also continue to hand out "Turn Yourself In" cards when a staff member "catches" a student displaying strong character.

There will be a list of expectations that all students must meet in their daily classes. If the student does not meet one of these expectations, they will receive a "Raider Reminder" from their teacher. The student will fill out the form, sign it, and hand it in to their teacher. Once the student has accumulated five "Raider Reminders", you will receive a letter home to inform you of the specific areas where your child needs improvement. Once your child receives 10 "Raider Reminders", they will not be permitted to attend our reward assembly or the next school dance. At the end of every nine weeks, the students will receive a clean slate.

Raider Reminder Expectations:

- 1. Turning in all homework assignments**
- 2. Carrying your agenda to each class**
- 3. Having all your materials that you need for class**
- 4. Speaking during class with the teacher's permission**
- 5. Always having reading material for class**
- 6. Visiting your locker at designated times**
- 7. Arriving to school and class on time**
- 8. Keeping your work area clean**
- 9. Returning all signed papers / permission slips on time**

Please have this form signed and turned in by 11/23/09. If you have any questions please contact Mr. Walt Saunders at 243-0387. Thank you for your continued support.

Dear Parent or Guardian:

As you know, our Raider Reminder Program is designed to help reward our students who exemplify responsibility by being prepared and taking ownership of their choices and actions. The program also identifies students who are struggling in areas of responsibility and allows us to work with them and get them on the right track.

This letter is to notify you that _____ has received _____ Raider Reminders this nine weeks. If the number is ten or more, your child will not be permitted to attend the reward assembly or the upcoming school dance. With your support, we will advise your child on how they can improve in these areas. Below, you will see in which specific area(s) your child needs improvement.

1. **Turning in all homework assignments** _____
2. **Carrying your agenda to each class** _____
3. **Having all your materials that you need for class** _____
4. **Speaking during class with the teacher's permission** _____
5. **Always having reading material for class** _____
6. **Visiting your locker at designated times** _____
7. **Arriving to school and class on time** _____
8. **Keeping your work area clean** _____
9. **Returning all signed papers / permission slips on time** _____

Total Raider Reminders: _____

If you have any questions, please contact Mr. Saunders at 243-0387.
